Singapore, 18 Dec 2017 -

Novelty Concept: Swag It like the Original Flea Seller

No fuss unpacking your bags and packing back at the end of the flea. As the name suggest, you will sell from your luggage! Lawn mats (artificial grass carpets) will be provided for every booth to keep their luggages away from the ground.

Post Service : Buy your unsold items

Calling all who dread lugging back their unsold clothes, <The Luggage Market> is partnering <Refash> to buy your unsold clothes at a quoted price! In other words, its a guaranteed sell-out for all sellers!
